How *Beyond Pizzas & Pies* and *Beyond Invert & Multiply* work together

*Beyond Invert & Multiply: Making Sense of Fraction Computation, Grades 3–6* builds on the foundational understanding described in *Beyond Pizzas & Pies* and applies it to adding, subtracting, multiplying, and dividing fractions.

Each resource features 30 video clips filmed in actual classrooms. Clips range from 1 minute to 6 minutes in length with a total viewing time of approximately 70 minutes.
